

PREMIUM LOUNGE

Feeling Peckish.....? We're delighted to offer an extensive buffet menu for all our guests....

We offer a complimentary selection of alcoholic and soft drinks that are available throughout the day, including red, white and rose wine, lager, beer, cider and a selection of spirits, alongside soft drinks and fresh fruit juices. A wide selection of hot drinks is available all day.

For those special occasions, we're happy to offer you a bottle of chilled Prosecco for a small extra charge...please just ask any member of the Lounge team for today's selection. We love to celebrate!

Our buffet menu evolves throughout the day. If you're travelling early, we have a popular breakfast menu, which includes a selection of cereals, porridge and warm croissants or perhaps enjoy a freshly prepared bacon sandwich or even some scrambled eggs, beans on toast or perhaps an omelette.

After breakfast, we move onto our brunch and afternoon choices. We'll have a selection of freshly baked savories available and our soup of the day is available from around midday until early evening. We also have freshly baked bread selections for you to choose from, together with a selection of sandwiches that cater for most tastes.

For those with a sweet tooth, we always have a wide selection of chocolate brownies, flapjack corners, mini muffins, cakes and biscuits that are simply waiting to be enjoyed. We must also not forget our ever-popular Yorkshire scones which have to be partnered with a selection of jams and fresh clotted cream!

Please be aware that the above are our typical Breakfast and Brunch / Afternoon menus. We constantly try to develop our menu options, so the information is intended as a guide, rather than an exhaustive or prescriptive list.

As we try to prepare lots of our buffet food options to order, we would ask for your patience at busy times. If you're in a rush, please just let us know and we'll do our very best... Similarly, if you have any special dietary requests, please drop us a quick email at premium@flydsa.co.uk before your visit and we'll do our very best to help meet your requirements.

The important stuff we have to tell you:

For those guests with any food allergies and / or intolerances...information is available from the Premium Lounge Team on request. We also have soya milk available and gluten free bread on request. Please double check with us if you require any specific information containing ingredients.
